

February 2020

Indie Spot of the month!

The Guildford Tap

"Here at The Guildford Tap we pride ourselves on our commitment to televising sport from around the world and are proud winners of the Ei Group 'Best Sports Venue' award.

If live music in Guildford is more your scene, we also host a local acoustic music night every Saturday evening.

Our bar offers a selection of draft beers, lager and cider, including three real ales on tap. Traditional pub meals are served daily and we recommend our popular taco fries as the perfect bar snack!

We cater for private parties, with a buffet or summer barbecue menu being tailored to suit any needs. We are also the home of one of Guildford's largest beer gardens which includes a private "Stable Bar" (with pool table) and two marquees.

With the 6 Nations about to kick off there's never been a better time to come and check us out! Call 01483 562411 to book a table."

Gas works, Quarry Street

Best Bar None

Following our most successful Best Bar None yet, we are now in the process of beginning recruitment for the 2020/2021 Guildford Best Bar None scheme.

Best Bar None is an accreditation scheme that celebrates best practice operational standards in the licensed trade and is supported by the Home Office.

Participating in a Best Bar None scheme shows a willingness to address alcohol related crime and anti-social behaviour through the promotion of good practice and education and a town operating a live scheme is acknowledged by the Home Office as having a positive effect on the night time economy.

Participating venues will be invited to the Best Bar None to celebrate their achievements.

For more information or to sign up for the awards then please contact Pete Lambert on **07711408142** or email pete@experienceguildford.com.
