

### June 2019

#### Indie Spot of the month!

#### Carbon Blush

**Carbon Blush is a 5\* aesthetics, beauty, health and well-being clinic that opened in November 2018 on the Upper High Street. Having been established for 6 years, Carbon Blush has had clinics in Ottershaw, Cobham and Harley Street.**

Carbon Blush has an award winning team of experts, specialising in advanced aesthetic skin treatments, laser hair removal, non-surgical fat reduction, clinical skincare, eyelash extensions, eyebrow microblading, facials, massage and therapies including counselling, psychotherapy, hypnotherapy, Reiki and nutritional therapy.

Daniella Celine (founder) quotes: "Carbon Blush provides a unique service within the health and beauty industry, we provide an entire holistic service based around skincare, beauty, physical health and overall well-being."

#### Real Change

**Real Change Guildford is a new partnership working towards ending homelessness in Guildford. It offers the public an alternative way to help homeless people get the support they need. The money donated will be collected into a central pot (managed by Voluntary Action South West Surrey) to which the support services will apply on behalf of individuals who need something to help them take the next step towards accommodation.**

Items applied for could be a travel pass or a pair of shoes for an interview, a training course to acquire a new skill, or even the deposit for a flat.

Organisations such as Guildford Borough Council, The Safer Guildford Partnership, Surrey Police, Experience Guildford, Sainsburys, Neal's Yard Remedies, Surrey County Council and all of the homeless service providers have pledged their support to start the ball rolling. Can you help too? Could you spread the word within your business? Maybe adopt Real Change Guildford as your cause for a year?

Real Change will launch on Monday 8th July, 11am at The Guildhall. Please email [sasha@experienceguildford.com](mailto:sasha@experienceguildford.com) if you would like to come along.
